

# MOBILITY

WORK IS NO LONGER A LOCATION, IT'S AN ACTIVITY

Mobile workers are corresponding despite location and getting things done unconventionally in the name of productivity. They have taken work calls in the middle of the Irish Sea, in a restroom stall, on a roller coaster, and up in the Himalayas. These are just a few of the many answers given by respondents to a recent ShoreTel survey about where they've answered a work call. You never know when that must-answer call will come next!

## Implementing workshifting and BYOD policies creates:

Those that do keep their phones close at night are
